actually fair points she raises. There is currently no detailed strategy for phase 2, we have no input from DLA despite being constantly promised it (last due 16 July) and essentially I think the whole thing is cart before the horse until the dispute is settled. A Nov 2010 date is a hostage to fortune too.

Kind regards

Nick

Nick,

FYI, see attached the draft Dave prepared on Phase 2 and the comments from Tom. If Tom is taking care of this, it at least gets it off our desk.
