Subject: Update on Consortium Proposals - sent on behalf of Richard Jeffrey
Sensitivity: Confidential

Dear Board member

Further to my update on Friday of last week, I confirm that we have now analysed the Proposal from BSC and agreed a way forward.

In light of the extreme sensitivities of the subject matter, I do not propose to circulate any documentation on this but would be happy to discuss it with you if you so wish.

The strategy and way forward has been discussed with CEC officials and Transport Scotland.

Yours faithfully

Richard Jeffrey
