EDINBURGH TRAM NETWORK
DELAYS FROM INCOMPLETE MUDEFA WORKS
ADJUDICATOR'S DECISION

I find and declare that the period of extension of time to which Infraco is entitled under clause 80 of the Infraco Contract in relation to the several sectional completion dates therein provided for is as follows:

- i) Section A – 154 calendar days (to 10th November, 2010)
- ii) Section B – nil
- iii) Section C – nil
- iv) Section D – nil

In relation to sections B, C and D I find that the Referring Party has failed to prove its entitlement (if any) to any extension of time.

I find that my fees and expenses for the adjudication, save insofar as already awarded by me, shall be borne by the parties in equal shares of one-half.
