Dear Neil

Unfortunately, I must inform you that it is our intention to terminate the DPOFA at an appropriate point during the current phase, C1, and work with you in accordance with the TUPE regulations to effect as smooth a transition as possible of the scope of work in-house.

I would suggest that we use our meeting scheduled on the 27th August to discuss our intention in greater detail, work through the ramifications and thereby jointly prepare for the meeting between Nigel Stevens and Richard Jeffrey scheduled for September.

I trust that I can continue to count on the full support of yourself and your team whilst we work through this matter, and would propose that we keep this confidential until we have held our discussion and agree a communications plan.

Yours sincerely
