As discussed yesterday, please find attached the following documents:

- Mr Hunter's decision as adjudicator on the disputes on Gogarburn and Carrick Knowe
- A DLA paper prepared yesterday analysing some key issues arising from that.

We have a challenge session to discuss and develop this on Monday 23 November which will include input from McGrigors and I propose that we present the outputs of that with recommendations for further action to you and the FCL on Tuesday 24 November.

Please contact me if you have any further questions in the meantime.

Regards

Steven
