Subject: Possible Amendment to Change Mechanism

Steven

In response to the suggestions made in the meeting with Dennis, Frank and Bob on 29th August, attended by Tom Murray, Scott McFadzen and myself, we have discussed the issue with Ian Laing of Pinsent Masons and he has developed the attached proposal for amending the contract to facilitate limited urgent changes, where time is critical to prevent delay to construction operations in progress. This proposal will follow by letter asap.

(See attached file: Edinburgh Tram - Infraco Amendment.DOC)

I would be grateful if you would confirm that Dennis has received this email, I have guessed his address.

We look forward to your comments as soon as convenient. Please feel free to contact Ian Laing direct if you have queries about the intent of the drafting.

Regards,

Colin Brady
Project Director
