I have now received the final updated letter from DLA Piper to the Council and have considered the new terms which reflect the previous issues, contain some updated narrative and in particular contain new and detailed paragraphs in respect of procurement. As you know procurement challenge has been a particular concern with the adjustments to price although the new package does provide some comfort. Can you please note in particular paras 10 of DLA's letter which provides some comfort in addition from DLA. I agree with their assessment of the position and have discussed it at length with them.

To support financial close as requested by Tom yesterday I have prepared a brief narrative report for us to sign and provide to Tom for his comfort as he closes the deal following the Policy and Strategy Committee. Can you please consider this draft and let me know as soon as possible any revisions that you would wish me to make please.

Kind Regards  
Gill
