Subject: Walking the Job

Guys,

I walked the job this morning from Haymarket to the end of Constitution Street. Again, I am disappointing to report a lack of visible productivity and a general lack of "buzz". Interestingly, I never saw a single Tram Helper (unusual), tie Site Supervisor and any senior Carillion Supervisors. On Constitution Street, 12 guys, one working and this is not an exaggeration.

I am genuinely concerned and puzzled by this.

I would like to meet with Graeme and Dave Smith next Wednesday morning to discuss and understand. Please allow 3 hours as I wish to go through the work sites line-by-line.

Regards,

Willie
