ALL

Having found a spare moment, please find attached the my updated version of Schedule 4 following the meeting on 25 March.

Please note:

(i) the amendments are now shown against the hard copy document circulated by tie at the 25 March meeting (I have not accepted all those amendments so that there is visibility); and

(ii) the only amendments to the version attached to my e-mail yesterday are:

1. The insertion of the Pricing Assumption agreed yesterday at the SDS meeting; and
2. The updating of the tables discussed at the 25 March meeting (which I was unable to complete until Phil sent me an electronic version of the document).

Please advise if there is any dispute as to the accuracy of the attached against our recent discussions.

ALL

Please find an updated version of Schedule 4 following the meeting yesterday. Happily this is nearing completion.

I have updated the version last issued by Phil. I do now have a copy of the hard copy version placed on the table yesterday but don't have time before going to the SDS meeting to update the amendments onto that version.

Phil, would it be possible for you to arrange this?
