Jim

So nice to hear from you. I am not at all surprised you are so busy . I am pleased to back in the US and working in renewables again . I have kept in touch with James and I'm sure he would love to hear from you .his number is

If you are ever in Portland let me know !

Best wishes

Susan

Susan

I hope life goes well with, I understand you are off to the USA shortly or may have already gone, sounds like an exciting challenge and I'm certain you'll thrive in it.

Things have been pretty hectic for me since leaving SP last April, just dawned on me that its nearly a year ago, I haven't had an idle day apart from some well deserved sojourns to Paris, Rome and Florida (5 times J). Recently its been like old times as I was asked pick up the lead negotiation role in the procurement of the Edinburgh Tram system, this has meant long hours and weekends and been hard going but truthfully a lot of fun, as an aside do you have contact details for James Stanley and any understanding of what he is up to, I'd like a chat with him in that regard.

Apart from the work on Tram I've completed work for Cap Gemini, Tata, St Andrews University and I am on the Strategy board of the Scottish Prison Service and the board of ScotlandIS, so life ain't dull.

All the best and if I can be of any assist at any time just let me know and I'd be very grateful for contact info on James.

Kindest regards

Jim
