Subject: Design Information required for Preferred Bidder Stage [BBS]
Attachments: Design Information required for Preferred Bidder 240507.doc

Scott,

As you know, we have previously sent you the design information schedule setting out the design items and receipt dates for the items of design required to enable you to firm up your bids.

We have now updated this to reflect our views, as informed by conversations with yourselves as to which information is critical to the Preferred Bidder Stage and 3 items which we believe that you may not require, in that you will undertake this element of design post award using your own specialists.

Please could you review the attached and confirm your agreement to thereto or otherwise, particularly should you wish us to instruct SDS not to carry out further design work for the items shaded in blue.

If you have any queries please contact Geoff Gilbert or myself. Otherwise, I'd be grateful if you would confirm your agreement by Tuesday 29th May 2007.

Many thanks

Regards

Bob Dawson
