Rebecca,

Geoff Gilbert, our Tram Commercial Director is arranging a session on Friday to walk other CEC folk through the cost estimates. He undertook to invite you along.

Stewart,

Would it be possible to meet with one of your team to go through the main Capital Cost assumptions? I understand the commercial confidentiality constraints, but Donald is uncomfortable signing off the plan, as a TEL director, without anyone in the Council having seen the detail behind tie's cost estimates.

Thanks,

Rebecca
