**DISTRIBUTION:**

Attendees only and CAF. Attendees to circulate to their own team as required

		<b>ACTION</b>
<b>1.0</b>	<b>Previous Minutes</b>	
	Item 1.11 – WDe requested that the minutes be amended to clarify that T&T were acting in a technical support role in relation to TVMs, rather than a procurement resolution role.  Previous minutes were accepted.	<b>Note</b>
<b>2.0</b>	<b>General</b>	
	CSm advised that following the presentation given by ABr and MWi there is now a clear recognition from both CEC and LB of the amount of work that needs to be done to ensure testing & commission throughout the Project.	<b>Note</b>
<b>3.0</b>	<b>Lothian Buses Update</b>	
	No comments.	
<b>4.0</b>	<b>T&amp;C Programme &amp; Plan – Section C &amp; D</b>	
	PPa advised that T&T have now confirmed “No Objections” to the T&C Plan for Airport to York Place and the T&C Programme Section B.	<b>Closed</b>
<b>5.0</b>	<b>Depot Snagging</b>	
	Update provided on 3No snagging items:- <b>1. Water Ingress at the Doors</b> The defect works were undertaken (see below). <b>2. Water ingress at the Thresholds</b> The defect works were undertaken; however JWh advised that although there was an improvement, there was still water coming through between the edge of the door frame and the threshold. He stated that the increased threshold height was also now channelling water in through the rail tracks, although sealing on Rd 3 had prevented water entering the pits. It was agreed that the original issue has now been closed and that the remaining issues should be treated as defects. JWh advised that the chamfering on 2 of the doors has broken away. This would also be managed as a defect.	<b>Note</b> <b>BBS/T&amp;T/LB</b> <b>BBS/T&amp;T/LB</b>

**CONFIDENTIAL - LEGALLY PRIVILEGED AND FOI(S)A EXEMPT**

**NOTES OF TESTING, INTEGRATION & COMMISSIONING MEETING  
HELD ON 23<sup>RD</sup> AUGUST 2012 AT BBS CONSORTIUM OFFICE, EDINBURGH**

		<b>ACTION</b>
	<p>CSm suggested that a walk through of the site is undertaken to resolve any outstanding issues.</p> <p>Forum to note that it's a working depot and therefore the door will not always be closed, so the pits will never be 100% dry.</p> <p><b>3. Dent in the Tramwash Door</b></p> <p>Tram wash door now repaired.</p> <p><b>Water Ingress – Wheel Lathe</b> – Sealing undertaken around edges but unfortunately this has not worked satisfactorily. Sub Contractor investigating other products.</p>	<b>BBS/T&amp;T/LB</b>  <b>Closed</b>  <b>SWe</b>
<b>6.0</b>	<b>Documentation</b>	
	<p>Integrated DAS – DSt advised that M Irizar has raised a TQ in relation to the depot halt and Saughton tram stop. A clear understanding of what is required to allow the TQ to be closed out to be established. DSt confirmed that no issues are expected and Integrated DAS should be signed off by CAF following resolution of TQ.</p> <p>NOTE: No update as CAF were not in attendance.</p>	<b>CAF/ BBS</b>  <b>(outstanding)</b>
<b>7.0</b>	<b>Delivery of Trams – Overall Tram Delivery Requirements</b>	
	21 trams now held at the depot with a further 6 trams to be delivered by November 12.	<b>Note</b>
<b>8.0</b>	<b>Overall Programme</b>	
	No issues.	
<b>9.0</b>	<b>Matters Affecting LB</b>	
	<p><b>Structure Gauge Clearance</b> – PPa confirmed receipt of review letter.</p> <p><b>Method Statement for Track 1</b> – JWh confirmed that the Method Statement has been received and the redesign will commence on 27<sup>th</sup> Jul 12.</p>	<b>Closed</b>  <b>LB</b>
<b>10.0</b>	<b>Matters Affecting CAF</b>	
	<p>No issues.</p> <p>NOTE: No update as CAF were not in attendance.</p>	
<b>11.0</b>	<b>Matters Affecting BBS</b>	
	JDo advised that installation of the tram shelter will take place w/c 27 <sup>th</sup> Aug 12.	<b>BBS/LB</b>
<b>12.0</b>	<b>Any Other Business</b>	
<b>2.1</b>	<p><b>Ticket Vending Machines</b> – WDe gave an update on TVMs, stating that meetings had been held with all stakeholders to allow the system to be fully defined (equipment type, number and functionality) and to provide BBS with the design information to allow the completion of tramstop design.</p> <p>Further discussions had been held with BBS, as confirmation was required on the different types of TVMs and where they were to be located. SDS was requested to confirm the types and numbers of TVMs on the drawings.</p> <p>Ongoing meetings will be held weekly, to address the outstanding issues.</p>	<b>Ongoing</b>
<b>12.2</b>	<p><b>Supplier Training Schedule</b> – to be issued September 12.</p> <p>Live trams document - BMCC and JWh agreed to work together to review and update the LB “Working next to Live Trams Document” as CEC is required to produce a similar document. Document pre operation is being compiled by Colin Kerr, operational document.</p>	<b>Note</b>  <b>Note</b>

**NOTES OF TESTING, INTEGRATION & COMMISSIONING MEETING  
HELD ON 23<sup>RD</sup> AUGUST 2012 AT BBS CONSORTIUM OFFICE, EDINBURGH**

		<b>ACTION</b>
12.3	Radio testing; frequency still to be confirmed by Ofcom, forum to note that this may have an impact on the Section B Completion date.	
12.4	TVM Section Completion B – document to be circulated by Julian Weatherley, forum to note that there will be exclusions and these will include TVMs.	
12.5	Handover procedure for Section B completion to be issued as draft. KR advised there will be similar exclusions as with Section A.	<b>Note</b>
12.6	SCADA will be operational albeit in a limited capacity as Section C needs to be achieved before the SCADA will be complete. The limited capacity of the SCADA will be available for use in an approved/safe manner.	<b>All</b>
<b>13.0</b>	<b>Date of Next Meeting</b>	
	The next meeting will be held on <b>Thursday 20<sup>th</sup> September 12 at 1.00pm in Training Room.</b>	<b>All</b>
