Gents

Further to discussions that have taken place this morning, I write with regard to the arrangements to be put in place for tomorrow in order to ensure that Dr Keysberg, one of the key individuals on the Tram project, is able to participate in the meeting scheduled with Keith Brown.

Danny - In order to accommodate the 11.00am start time for the meeting with the Minister, please can you ensure that Dr Jochen Keysberg and Martin Foerder are fast tracked through security on arrival at the Parliament building. Andy Cooper has been provided with profiles for Dr Keysberg and Martin, which may assist with this process.

Alan - Please can you collect Martin and Dr Keysberg from the pick up point at arrivals at Edinburgh Airport (please liaise with Martin for an exact location) and take an appropriate fast drive route to the Parliament building.

Alan - I will make your apologies for your non-attendance at the Lothian Buses meeting at 9.00am and speak to your items at that meeting.

Should there be any issues on the day please telephone my mobile [REDACTED]

Thank you

Regards

Colin
