Gordon,

As per my voicemail I can confirm that I have very recently discovered 13 files that appear to be Sue Bruce's paper files in respect of her dealings with the trams. I have not had an opportunity to review these files but wanted to draw the Inquiry's attention to them.

I would assume that you would wish to see these files and I am happy to arrange for these to be delivered to you as soon as is convenient.

My sincere apologies that these files have not been made available earlier.

Matthew.
