Steve,

The schedule is OK and I will issue it now. Anything required to deal with the notes below can follow later.

- I have added a more specific note to item 3A/3 to make it clearer – an action for Trudi
- I had a note that items 1B/4 and 1C/1 both qualified for a 'Red Cross' – can I have your view please.
- Item 3B/2 is noted as a 'repeat item' and so should not be included.
- I have updated the trend chart and trend data to cope with new items – the Legend on the chart is very explicit about new items arriving in any given week and items from previous weeks. The grand totals emerged naturally as the data is presented as stacked bars.

David
