Subject: SDS direct agreement with tie - scope of work

Steve

Andrew Fitchie is still working on the Ts & Cs that go with this but here is a short, simple scope of work for the direct agreement between SDS and tie. It is based heavily on the original SDS scope for MUDFA and the wording of the settlement agreement in relation to MUDFA. There are some amendments to reflect actual experience.

Grateful for confirmation you are happy with the scope or for any comments by close of business tomorrow (Wednesday)

Damian
