Frances,

Can you please send out the attached documents to Andrew Malkin of AMIS along with the covering letter as per below signed by Alasdair. Alasdair, can you please check that the wording ties in with their letter. Thanks, Allan

EDINBURGH TRAM PROJECT, MUDFA
SDS TRIAL TRENCHES

Further to your letter dated 2 November 2006, please find enclosed, for your information, SDS Drawings ULE90130-SW-UTL - 003966 to 00399 showing their proposed Trial Pit locations and an accompanying Summary Schedule for Sections 1, 3 and 5. At present, the intention is that SDS will carry out these Trial Pits as part of their design programme. You will see from the drawings that SDS have prioritised the need for the Trial Pits. I would welcome any comments you may have on scope and priority.

Yours sincerely,

Alasdair Slessor
tie Representative
