I attach a copy without the tracked changes.

Please note that Nigel, Brandon and I are agreeing an agenda for Monday's review which we propose will follow an preparatory meeting between the thre of us at 10.30. We suggest therefore that Monday's meeting will begin at 11.

Much of the meeting will be "progress reporting" rather than "decision making" – the advisor team feel that this is essential to keep the momentum going.

I expect that Nigel wil be circulating our proposed agenda sometime this afternoon and asking for any items you would like to be discussed.

Tony
