Steven Thank you for this request. As agreed by all parties at our meeting on 28th April (note attached) the planned payment is to be made on the understanding that MOV4 and the associated certification arrangements are in train and that all the outstanding matters will be concluded quickly.

The decision to make the payment based upon the valuation certificates provided by Hg was taken collectively at that meeting and as SRO I can confirm that I am content that it should now be implemented. Dave

Dave

Further to my email earlier this morning, and our conversation a few minutes ago, please find attached a letter confirming the arrangements discussed at the meeting held in Waverly Court on Thursday 28 April. The necessary treasury arrangements have been made to facilitate the payment in line with Hg Certificate 1 and a CHAPS payment will be made on receipt of your confirmation.

Please call if you require any further information.

Regards

Steven
