Importance: High

This email has been received from an external party and
has been swept for the presence of computer viruses.

Damian,

As discussed yesterday this is the note that we have received from Malcolm Thompson and D&W regarding the inflexibility of the Bills process. We would appreciate your urgent attention to this as we are now, as of yesterday afternoon, working to a deadline of Monday close of business to update the PBU regarding budgeted costs and funding.

Regards,

Ian
