Further to your comments I can confirm that your comments have been incorporated into the report which will be issued to the board today. The report will still require a separate report from Acutus explaining the ranges and issues and I am happy to discuss this further with you if you would like to do so.

Fiona

Hi Fiona – I have included some comments in the file attached for your consideration (using ‘Track Changes’ and comments boxes).

If you’d like to discuss the attached I’ll be in the office tomorrow from around 8:00am (although in a meeting from circa 09:00 to 11:00am) – back at Citypoint in the afternoon.

When you get a chance can you let me know if you still need a separate report from us explaining the ranges & issues?

Kind regards

Robert

Robert

I attach a first draft copy of my report on the mediation. Could you review and comment on the claim section and ensure that it does not cut across anything you may want to say in your report?

Could you get back to me by close on Monday?

Thanks

Have a good weekend

Regards
