Andrew thank you. I have just had an oppt to review now. I will liaise with Donald and Dave and subject to this and from a legal perspective I agree and accept the analysis subject to the protections detailed in your report.

Re formal letter can this be expressed in principle or is there a M of V which is referred to for our consideration yet or how can we incorporate conditions in your paper.

Gill

Gill,

Attached to this email is DLA's draft report in relation to CAF joining the consortium, and also the draft letter from the Council to BBS. Could you please clear the letter to BBS for issue as soon as possible?

Kind regards,
 Andrew
