There is a new version as yet uncirculated at Donald's request. Alan has the comments. They restrict the present situation section to the bare minimum as there is a risk that tie could be in breach of the agreement by making the details public.

We need to remove the DRP parts etc. I'll send a redraft tomorrow. Worried we breach the agreement.

Dear all,

Please see attached first pass at the press release for the Tram report going to Full Council. Can you please feed back to Gavin with comments by 11am Thursday and he will collate them all and send a revised version later on. At that stage he will also circulate to Cllr Mackenzie and David Mackay.

Can you please ensure that Gavin/Mandy get to see any revised version of the report so they can adjust the release accordingly.

Regards,
Lynn
