Alasdair,

Sorry – I've just now read these minutes. Just to clarify minute 5.4, the budget and all forecasts of outturn for the project do not include the cost of promoting the Parliamentary Bills which amounted to £17m (including what we spent on preparing TL3 before it was dropped). The £17m was funded under separate grants and does not come out of the £500m implementation grant from TS.

Regards,
Stewart
