Cheers

Colleagues

Please find attached a slightly adjusted (and re-ordered) draft statement as agreed by Councillor Dawe and Donald McGougan. There are, as you will note, a couple of elements shown in square brackets and it would be useful to have a view on these (one may negate the need for the other - and the second may go a little too far legally).

Grateful for thoughts.

Cheers

Andy

Further to my earlier conversation with Donald, here is the proposed press statement which you will see we have timed as at 18:00 hrs.

We are still waiting for final clearance of the narrative by DLA but do not anticipate any material change.

I will call shortly.

Regards

David
