Hi Alan

It's funny these documents appear out of the woodwork just before the Peer Review. It's the first time I've seen anything in relation to recommendation 9.....just as well Princes St Diversion went as well as it did!!!

David

You may find the following useful to refer to when discussing matters with Mike and Willie tomorrow morning. It is based on the July 2008 visit by Mike, Willie, Malcolm, Peter Strachan and Andy Sloan. I have included the full report as an attachment for ease of reference.
