Folks

Bearing in mind TS will have a copy of the contract, they will be able to ask CEC questions to which we may not be able to answer. tie have always resisted giving us this information, should we perhaps be getting a little more familiar with the contract?

All,

Below is the formal request by John Ramsay for a copy of the Infraco contract which I forewarned you about yesterday – he has managed to get 2 email addresses wrong in his message below.

As a reminder - he says the contract will be reviewed by D&W on behalf of Scottish Ministers to verify the limitation of their liability to the amount of the grant. We are obliged to provide this in accordance with the grant letter conditions. I presume we don't want to resist this (being in the game of keeping Minsters happy even more than usual just now) and will arrange confidential transmission of the documents to him on CDs.

Give me a call if you wish to discuss,

Stewart

Stewart

As discussed yesterday, I am formally requesting a copy of the full suite of Infraco contract documents.

You advised that they are available on CD/DVD format. I think this would be the best media to receive them and to ensure appropriate security
