Dear All,

Please see attached updated Schedule of Events and a copy of the letter which is being sent out to 44,887 stakeholders this week. I also attach for your convenience, a note of the top 5 issues which were brought to our attention by SDS at previous design consultation meetings.

At the moment, a comments sheets is being developed with Ann Faulds of D&W and as soon as this is finalised I will forward a copy to you.

Regards.
