Please ignore Chris Highcock's email dated 23 April 8.43

It should have read

Jim is content with this and with the amendments shown in the recommendations, although he is seeking assurance that the Council Solicitor has approved this draft.

He also asks if it would be possible/appropriate to include a reference to the previous firm costs i.e., para 3.4 refers to 95% with the remainder being provisional sums.

He also suggested amending the presentation of the recommendations and will be happy to be advised of the preferred format.
