Colin/Steve

Please find attached the latest matrix. We have highlighted issues requiring documentary evidence in yellow under the heading "CEC Deliverables - Supporting Documentation Required". Where there is reference to CEC Legal, Colin can you endeavour to get the relevant signed documents to me/Andy.

Steve, there are a few of the NR related agreements outstanding in terms of back up. Can you look at items 8.11-8.14 and let me/Andy know exactly what we need in terms of back up.

Kind Regards
Alan
