Subject: Tram Update - Infraco Bids

Donald,

I've spoken to Transport Scotland who have received one report from **tie** and another from Scott Wilson with revised costs following the receipt of Infraco Bids.

The costs are broadly in line with the DFBC
1a £477m-£517m
1a+1b £561m-£610m

However, TS have some reservations due to insufficient evidence and have met with **tie** to ask further questions.

I have requested that **tie** send CEC copies of everything they have sent to TS and reminded them that CEC's approval to begin MUDFA was conditional on Infraco tenders being consistent with prices in the DFBC.

Regards,

Rebecca
