Geoff
Do we think these add value?
If yes we need to use them, if not let's bin as they seem very resource intense.

Subject: Progress Dashboards

Dear all,

Please find attached the September issue of the Tram Project Progress Dashboards - for the Overall project, the SDS contract and the JRC contract. These, alongside all previous issues, are to be found on the extranet in the following location:

TSS - 92 Project Controls - Dashboards and KPI.

If you have any questions re: the above please get in touch.

Kind regards,

Orla.
