Subject: RE: Bilfinger tram media statement

Dear All,

Here is the council statement re this afternoon's media release from BB.

A council spokesman said: "The Council are fully behind tie's action to resolve this dispute as quickly as possible. Under no circumstances did Bilfinger Berger formally put the request forward to tie."

Below is tie's response.

A spokesman for tie Limited said: "tie has not received any formal request from Bilfinger Berger that suggests any other route to resolving this dispute.

"The contract, which has been signed between tie and the consortium, already contains a dispute resolution procedure and the purpose of that is to resolve this type of issue."

Many thanks

Noel
