Here is a preview of the Mobilisation Payment paper in draft.

I do not have the entire picture but direction of travel, I think, is clear. I have not sent this to the wider team. Let me have comments on the factual background and I can finish this - primarily:

- What was actually written down and agreed at the time the discount was settled with BSC regarding the contractual purpose of the payment?
- When was the payment made?
- How has the advance payment been treated inside the payment mechanics under Clauses 41 and 67 and does this say more about how Infracore view it?

kind regards
