**Legally privileged and FOISA**

DLA letter is crafted to give them a problem denying there was anything (ie a verbal deal) because there seems to have been some kind of 'on the nod' arrangement for using construction support (for which tie was paying SDS) to construct background INTCs.

Andrew/Susan,

On the assumption that BSC and SDS will come back and deny there is an agreement I would want to ask what Russell was thinking off in saying there was. The card I want played now before that happens is the letter Susan was drafting to ask what Russell etc are doing on the job. Then if there is a denial I will propose using it to ask for Russell's removal under 27.1.

I also think we should ask for the identity of their new Planning Manager (as a separate letter).

Tony
