Hi Guys,

As you see, the usual struggle for info!

Can either of you "re-point" me please?

Cheers,

Tony

Hi Tony,

I believe that SDS issues IFCs via PB's Document Control. I have no involvement in IFCs.

Try Pauline Benn in the first instance. If the process is the same as the Planning + Building Approvals I submit, there will be a audit trail in PB's Hummingbird system.

You could also try Scott Ney.

Cheers,
Laurie

Hi Laurie,

I have been told that you are the only person who knows which already-issued IFC packs from SDS are still being updated. If this is not the case can you tell me who can please?

This information is valuable!

If I give you a spreadsheet of IFC packs, can you put a tick in the column headed "Being updated" for each such pack?

Cheers,

Tony
