Alan,

I am of the view that there have been a number of departures from the agreed governance arrangements. Have you discussed with Donald, and if so what is his view. Does anybody have the temerity to raise with tie or TPB ? Or do we simply mention it to the Tram Sub- Committee ?

Kind regards,

Colin MacKenzie

Guys

I would be interested in your views on the governance arrangements set in the the final docs at financial close as drafted by Graeme Bissett as opposed to what is currently happening. My view is that the structure set in place is currently not being followed.

Thanks
Alan
