Gill

could i ask that you copy Jo and Susan in on all traffic since I am really stretched at the moment.

The position on the security package is that the two bonds are being issue today by the banks and they are provided for as CPs. I believe the PCGs will also follow but may be available today.

There is a great deal to do in terms of orchestration.

kind regards

Andrew,

Thank you for the letters, we are now acting on this. Please could you confirm the position with the Performance Security Package?
