I refer to my email below and would now invite you to attend a meeting with Willie tonight at 4:30pm in the Brunel room to review where you are with completion of the schedules which are assigned against your name in the attached document. It is imperative that we close these schedules off today or tomorrow latest and I would ask that you pursue urgently today.

Importance: High

The attached schedule of schedules identifies the responsible party for the delivery of each of the pertinent schedules. Delivery means that Andrew Fitchie at DLA has a 'gold' copy of the schedule for incorporation in the contract. Can you confirm by COB today when you expect the respective delivery to be achieved. Please pursue this aggressively today.

Many thanks

Jim

Dear all,

There have been several status tracker documents floating around in recent weeks. For DLAP convenience and document control please could we use this one from now on in as it is the most update and comprehensive.

CEC/DLA are dealing with various corporate authority documents; these are being dealt with separately. We will need from **tie** evidence that OCIP insurance is in place as at the date of contract execution.

Regards,
Andrew
