Subject: RE: ETN, Bernard Street Streetscape Works

Alison

We will provide the bills and specification information shortly.

On your other points:- Basis of price is to be:- 1. To be undertaken as part of Infraco works.
2. At a time convenient to Infraco
3. Under Infraco Terms and conditions
4. Prices to be fixed and firm
5. Prices to include for all cost of all items necessary to deliver the works, including temporary works, traffic diversion costs and the like,

Please let me know if you have any other queries

Regards

Geoff Gilbert

Subject: ETN, Bernard Street Streetscape Works

Geoff,

We refer to your letter dated 23 November 2007 enclosing drawing L-LA-001 Rev A dated 19 September 2007 (by the Paul Hogarth Company).

Your letter refers to a blank copy of the bills of quantities for the works. These bills were not enclosed. Please forward these to us at your earliest convenience.

We also require further information to enable us to price the works, including:

- Specification for the paving material
- Specification for surfacing
- Specification for lighting
- Specification for streetscape furniture
- Standard details for all of the above
- A written scope for the works

We note that we have to advise on any assumptions but your confirmation of the basis of the price is required, e.g.:

Are the works to be priced and executed as part of the Infraco Contract and in accordance with their conditions?

We will advise our programme for returning our price as soon as practicable after receipt of the above information.

Yours faithfully

Scott McFadzen
Project Director
for Bilfinger Berger Siemens Consortium
