Willie

I have seen for the first time Schedule 4 (Pricing) plus assumptions this morning. It is assembled as a contract within a contract.

I really need to understand this document to contribute meaningfully- it is up for discussion now.

kind regards

Matthew,

It is MANDATORY requirement that before I go to CEC tomorrow I have a good understanding on outcome of Price, Programme, Commercials & Contracts. Warm feelings is not sufficient, you must communicate this at every meeting with BBS & CAF etc.

Over to you,

Willie

Without being too gloomy there is still a lot to do. Plus the commercial dynamics (££) of the SDS novation has not been agreed with either party yet. I am not sure we will have definitive conclusions by tonight, but we might have far warmer feelings than yesterday am!

A much better day.

Progress (with concessions) after Willie's visit on SDS novation where there is convergence towards a position that can be the subject of tripartite discussion.

Solutions for Consents and third party agreements are now possible.

Kind regards
