Graeme,

Thanks for your response. The point of my request was to ensure that there was a timeous input by the Council and to assist Andrew sooner rather than later in the negotiations.

I spoke to Susan about it this afternoon and she advises that a meeting has been set up with Gill, Willie and Andrew for Monday afternoon. I am content to step back from this matter.

Regards,

Colin MacKenzie

Colin, I understand you are looking for a discussion on this area. There are some key sessions which will influence positions over the next two days so I suggest we make sure this is addressed fully at LAC on Monday, rather than interfere with the negotiating meeting programme.

We can take the time needed on Monday at 5, hope that suits.

Regards
Graeme
