Gents

Here are some notes of our meeting on 1 Feb.

On Friday at Matthew's tram leadership meeting, he was very supportive of what we are doing. My personal thanks to you all.

We are empowered to move this on, so please attend the next meeting that we agreed on 8 Feb at 08:00 if you possibly can. I have been promised some input from Roger on meeting hierarchy for then, but David will not be able to deliver anything by then.

I am drafting a paper to summarise what we are up to for the tram project board's DPD subcommittee meeting on 13 Feb, at Matthew's request.

All the best
Jim Harries
