Matthew

Enclosed are the HoT for SDS. They did not exist but as DLA offered them FOC I felt it would your understanding of the contract. Ailsa and Trudi probably have the best understanding of the terms of this contract of anyone on this Project.

Geoff

Following your conversation with Andrew, here is a summary of the key terms of the SDS Agreement.

You will see we have not gone into every detail of the agreement - if there is anything you would like in further detail feel free to let me know.

You may also notice that text from the Infracore ITN on Design Approvals has been included as I thought this would be useful expression of current position. It is optional as to whether you want to include this wording or not.

Kind regards.

Phil
