Gerry/Ian

As agreed with Gerry last week, I called Morgan Est to ascertain what their issues on the contract were. They agreed to send in a list of issues. However, the attached agenda takes us no further forward on the contract particularly although addresses a few other issues. They would like to meet for a hour or so. On the basis of your "open door" policy, would you prepared to meet ? You have already offered Big Daddy a similar opportunity. We should consider whether a similar opportunity is offered to all.

Regards
Sharon
