Graeme

Cannot see anything significant over and above the points you and Andrew have already made between last night and this morning. There are a few typos which I have tweaked in the attached file.

Subject: Full Council Report- Edinburgh Tram Contracts Acceptance

I have made the necessary changes following the conference session this evening with tie and CEC. Additionally I have added the necessary Appendices. The only known omission is the Grant Award Letter which I assume Rebecca has the current version available as a background report.

Notwithstanding the above there are a number of assumed matters which are subject to confirmation by tie which have to be closed out. These include the various third party agreements including NWR, First Scotrail, DLA etc.

Andrew Fitchie is requested to check Appendix 3 Resolutions and confirm with Colin MacKenzie by 8:30am agreement to this draft.

Subject to a final check for formatting errors it is intended to progress with this as the final version. The next step is for the report to be signed by the two Directors and then sent to Committee Services for distribution to the members by lunch time on Monday.

Many thanks to all involved in getting this report over the finishing line!
