We have made good progress today on closing out the Tram Contracts. On the positive side, we have CAF, BB and Siemens planning to sign tomorrow afternoon at the DLA Offices. Officers of the Companies are now travelling to Edinburgh from England, Germany & Spain. We still have live negotiations underway with SDS, but we think we can see a way forward which is reasonable to both parties.

Tonight, Graeme will issue all the formal tie documentation to CEC and Tram Project Board. Andrew will also issue the updated DLA letter. We are then reliant on a successful outcome of the Council Strategy & Policy meeting tomorrow and the immediate document transfer between CEC and tie, most importantly the signed tie Operating Agreement and the letter from Tom to myself. Susan Clark is managing all the logistics and will be in touch to ensure there is a process for the sending and receipt of documents.

Kind Regards,

Willie
