Willie That is excellent news. Please accept my congratulations and sincere thanks for the work that you and your colleagues - aided by Duncan, Gill, Donald and the team at CEC - have done, especially over the past few difficult weeks, to secure financial close. The agreement of contracts is a very significant milestone for the project and I look forward to working with you in the period ahead to secure the successful delivery of line 1A as the first phase of Edinburgh's tram network. Well done. Dave
