Our Council meeting has now finished and I am catching up with the day. Spoke briefly to Willie earlier, around 6. Understand from Donald we are meeting at 8am, can you let me know if that is in town or at Tie please .

Thanks
 Gill

Graeme,

Thanks for the updated Close Report. We are working our way through it.

Willie yesterday made reference to a letter received from Greg Ayres, MD of Parsons Brinckerhoff. Could you please arrange for a copy of that to be sent to me today for due diligence purposes.

Regards,

Colin MacKenzie

I attach an update of the Close Report. Andrew will send his letter and appendices directly to you later tonight. Willie will also send his letter directly.

The Close Report has the changes tracked from the version issued on Monday.

We expect to have the APA signed tomorrow am and we have sufficient in the bag now with SDS to be confident on that front. Negotiations with Infracore have been slower today than we hoped and there is some work to do to ensure we have a stable proposition in all the key areas. However, we anticipate finalizing this by noon tomorrow.

Regards
Graeme
